THE AUDIENCE

This set of vital conferences attracts experts from across the industry specializing in corporate and securities regulation, corporate governance, executive compensation and more.

For the past nine years, more than 300 professionals have attended our conferences. The graph to the right shows the role of those attendees.

While this year's set of conferences will be solely virtual, your sponsorship will still have tremendous value and presents exciting opportunities for your business. Our nationwide video webcast will be easily accessible, and will present your information to a large audience.
